CARRIER AIRWING™

ONCE AGAIN, the world is on the brink of total destruction... The Middle East is a powder keg. Arabs fight Arabs over control of the oil-rich lands. Madmen command huge armies that invade friendly neighbors without warning or provocation. The civilized world seems helpless against the new high-tech weaponry that can lay waste to the entire planet in just a matter of minutes. The only hope to end this madness is a swift preemptive strike wherever the danger exists. And the only force with a chance for success in this impossible mission is the elite Carrier Air Wing. Pilot your way through dangerous adventure around the globe when you fly with Carrier Air Wing. Choose from the latest state of the art jet fighters as you find yourself right in the middle of the deadliest air-to-air and air-to-ground combat ever! This two player interactive video is the newest in a long line of CPS games developed by Capcom with our exclusive CPS custom chip. Carrier Air Wing features high resolution graphics that make the action come alive like a motion picture, complete with all the Hollywood special effects. So don't be left on the ground when big profits are taking off and soaring sky-high with Carrier Air Wing. You'll want to be on the winning side with Capcom CPS video games, proven earners in a tough world.
